

## International Level Crossing Awareness Day

# ILCAD

Act safely at level crossings

8<sup>th</sup> edition of ILCAD 10-11 June 2016

The International Level Crossing Awareness Day is a joint commitment that started in 2009 with ELCAD (EU countries + Israel). From 2009 UIC has been coordinating this worldwide event raising public awareness on the dangers of misbehavior at level crossings. The 7<sup>th</sup> edition of ILCAD on 3 June 2015 gathered 43 countries and was officially launched through a press conference and a round table both hosted by the Turkish Railways (TCDD) in Istanbul.

The railway community, road safety advocates, international institutions, academics and researchers will meet again to officially launch the 8<sup>th</sup> edition of ILCAD. This year the event will be jointly hosted by:

LDZ (Latvian railways)  
on **10 June 2016 in Riga**

OLE (Operation Livesaver Estonia)  
on **11 June 2016 in Tallinn**

The public targeted in 2016 is: "**Senior citizens and people with sensory and mobility restrictions**".

Act safely at level crossings

8<sup>th</sup> edition of ILCAD 10-11 June 2016

Should you wish to attend our conference in Riga and Tallinn, please note that it takes place just before the **Global Level Crossing and Trespass Prevention Symposium (GLXS 2016)** foreseen in Helsinki (Finland) from 12 to 16 June and hosted by TRAFI (Finnish Transport Safety Agency). <http://www.trafi.fi/en/GLXS2016>

Travelling to Baltic countries is easy, there are "Air Baltic" planes or buses (in average 4 hours) linking the three capital cities: Vilnius, Riga and Tallinn.

There are also regular ferries travelling from Tallinn to Helsinki and vice-versa (2.5 hours).
