10th edition of the INTERNATIONAL LEVEL CROSSING AWARENESS DAY (ILCAD)

in Zagreb CROATIA

ILCAD

spearheaded by UIC, draws railway industry representatives, road authorities, academics and more from around the world - aims to raise awareness about the dangers associated with the road/rail interfaces (level crossings).

THE PUBLIC TO TARGET IN 2018: "Young level crossing users"

The International Level Crossing Awareness Day

is a joint commitment that began in 2009 with ELCAD (EU countries + Israel). Since then, UIC has been coordinating this worldwide event to raise public awareness about the dangers at level crossings.

The 9th edition of ILCAD

was held on June 2, 2017, with over 40 countries in attendance and was officially launched through a press conference and a roundtable. The event was hosted by the Railway Association of Canada (RAC) in Montréal, Canada.

If you specialize in areas such as: Level crossing safety. Engineering, Education. Enforcement. Human Factors. Users' behaviour. Innovative technologies. Land planning, or Inspection: and wish to bring your expertise as a presenter to this conference. please contact the ILCAD coordinator at UIC: Mrs. Isabelle FONVERNE @ fonverne@uic.org www.ilcad.org http://twitter.com/#!/ilcad https://www.facebook.com/ilcad www.uic.org
