ILCAD

Act safely at level crossings

11th edition of the
**INTERNATIONAL LEVEL
CROSSING AWARENESS DAY**

11th edition of (International Level Crossing Awareness Day)

ILCAD June 6, 2019

Launch conference, Amersfoort, NL

Call for papers

Many issues will be looked at **this year**, in particular **“Professional drivers”** be drivers of trucks, buses, coaches, taxis, industrial or farming vehicles. The conference will be open by keynote speakers (tbd). If you wish to make a presentation on the following topics:

- **Engineering measures/Innovative technologies** *that can improve safety at level crossings or help users crossing safely*
- **Risk management/assessment, Inspection**
- **Insurance**
- **Land planning: cooperation with local authorities and other actors**
- **Cooperation between the railways and other sectors** *(road infrastructure managers, road safety advocates, local authorities, federations of professional drivers, driving schools for professional drivers, international organisations...).*
- **Human factors and users' behaviour**
- **Engineering measures, Innovative technologies** *that can improve safety at level crossings or help users crossing safely*
- **Education and Awareness measures, particularly important towards professional drivers**
- **Enforcement measures implemented to enforce professional drivers respecting the highway code and save their life.**

Should you wish to be a speaker, please submit your abstract [here](#):

Deadline for submission: 29 March 2019

For the programme of last year:

- Visit: <http://www.ilcad.org/ILCAD-2018.html>
- Read the summary of the ILCAD launch conference here <https://www.uic.org/com/uic-e-news/603>

The 2019 draft programme will be posted later on the [ILCAD website](#)
